Welcome to Lincoln High School's first yearbook — the 1979 "Cougar Tracks." Lincoln's glorious story will unfold in future years, but for this year we have what we think is a fitting story — the story of creation.

Dedication
14-15

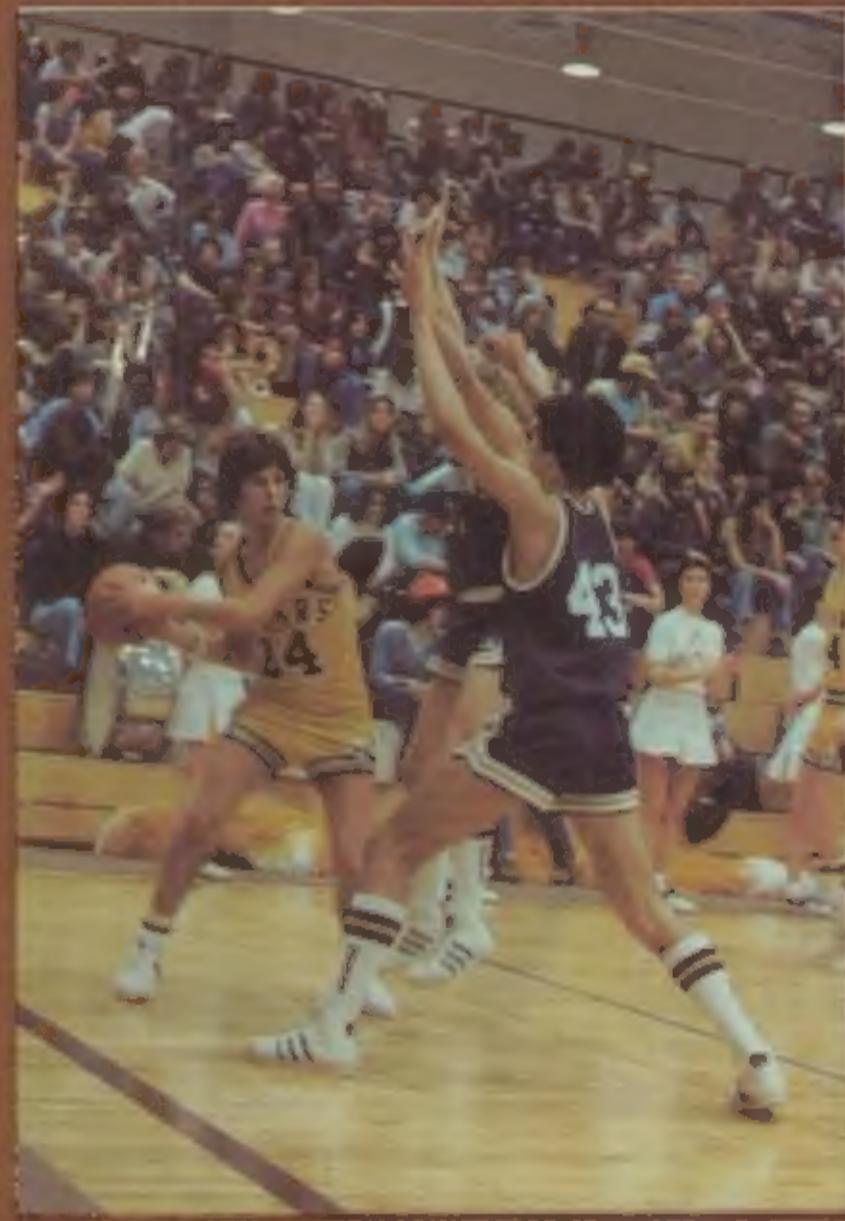

To paraphrase the greatest selling book in history, The Harrison County Board of Education said "Let there be Lincoln," and there was Lincoln. But it wasn't quite that easy. First, bids had to be received for the construction of the building. Then came the actual work on the building. And after the building was completed it still had to be furnished. Finally, the northern section of Harrison County had its new high school.

And such was the first day.

The real story . . .

Cyrus Vance Guest Speaker
Dedication of Lincoln High

On October 11, 1978, the dedication was held for the new Lincoln High School with special guest speaker U.S. Secretary of State, Cyrus Vance. The history of Lincoln High School was given by Dr. George W. Rose followed by the introduction of guests given by C. Richard McCaura. Jerry M. Toth, Principal of Lincoln High School then introduced staff and faculty members. Secretary of State, Cyrus R. Vance, a native of nearby Clarksburg, was introduced by John Rice, President of Board of Education.

Staff

And on the second day they said 'Let there be a staff' And there was a staff Lincoln High has the largest staff in Harrison County with over 65 members These people (administrators, teachers, secretaries, janitors, and cooks) work together to make the school function

And such was the second day

Can You Picture This?

1) "Truly yours, Glenda XOXOXO." 2) "Sure, you can use it but no speeding." 3) "You can take as many as you want." 4) "... Say, what are you doing tonight?" 5) "Hum, I wonder if it is safe."

1) "I hate to say this, but this is a test" 2) "Now I gotcha!" 3) "I wonder why everybody dies in alphabetical order" 4) "Did you hear the one about the . . .?" 5) "Let's see, naught from naught equals naught!"

Service With a Smile

The cooks worked hard at Lincoln High School to provide hot, delicious meals for the students and faculty. The cooks somehow managed to provide a variety of meals. The cooks of Lincoln High School are head cook — Violet Brackenrich, and other cooks — Anna Ashmore, Helen Richardson, Viola Burrough, Ann Schirripa, Bonnie Phillips and Nancy Gump.

... as the Gossip
Continues . . .

"Psst! Violet."

"Have you heard the latest?"

Although the custodians of Lincoln High School worked throughout the year to keep the school clean, they still found time to be friendly and amusing. Janitors of Lincoln High School are Bill Norman — head custodian; David White, Verda Gorski, Tillman Gifford, Charles Zinn, Freeman Pulliam, and Gary Nutter

L.H.S. Presents "Scrooge"

The play "Scrooge" was presented on December 21, 1978, by the Choral Music and Drama Departments

The main characters were,

Scrooge — Rob Rogers

Thomas — Jeff Sampson

Richard — Don Suttle

Harold — Ron Riggleman

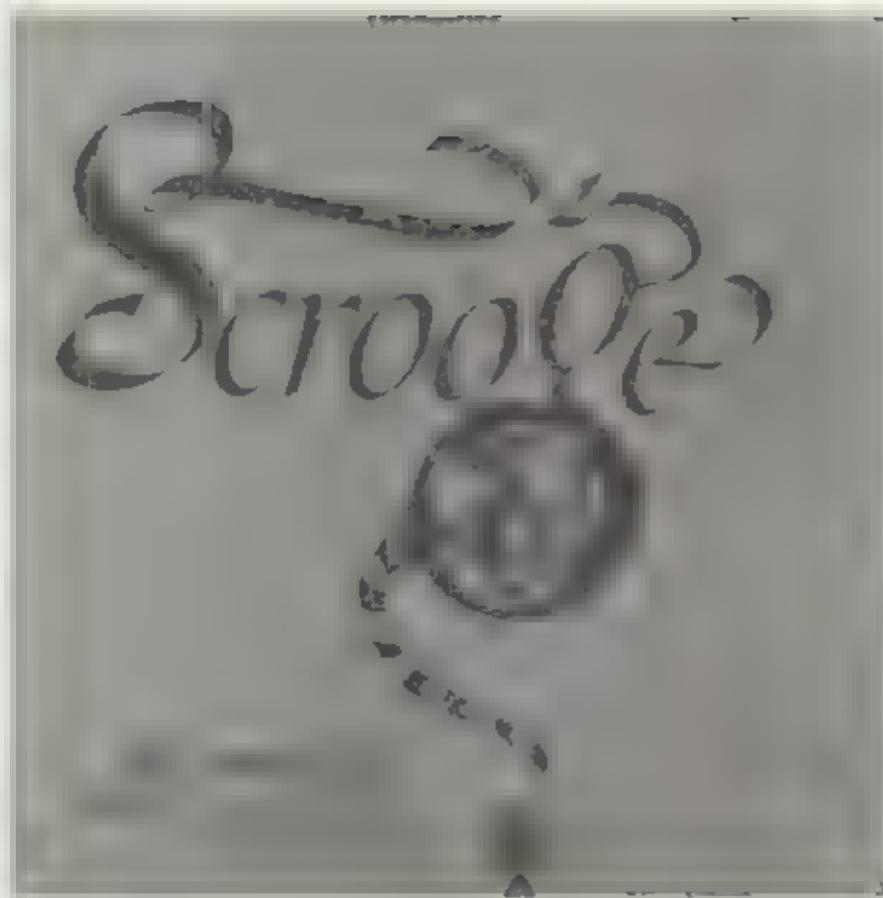

Fred — Rick Shuman

Marley's Ghost — Mark Rice

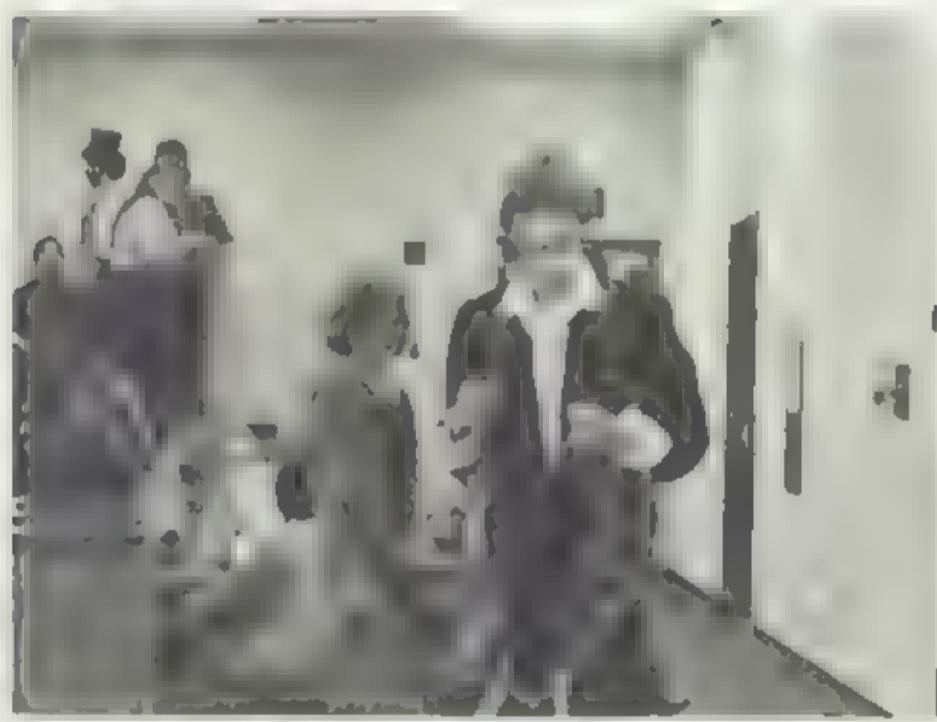

Spirit of Christmas Past — Louise Vangilder

Spirit of Christmas Present — Mike Harbert

Scrooge was a man who didn't like Christmas. He was spooked by three ghosts who convinced him Christmas was worthwhile. After the visits he became a good man, giving presents to all his friends

Winter

The trees, and wires, and
bushes.
All coated with ice they stand
As if someone had brought
them
Out of a fairyland
The lawn is painted with
silver.
The buildings touched with
white.
The lights are slowly dimming.
Leaving winter alone with

— Myre Jo Morris

Early in the Morning

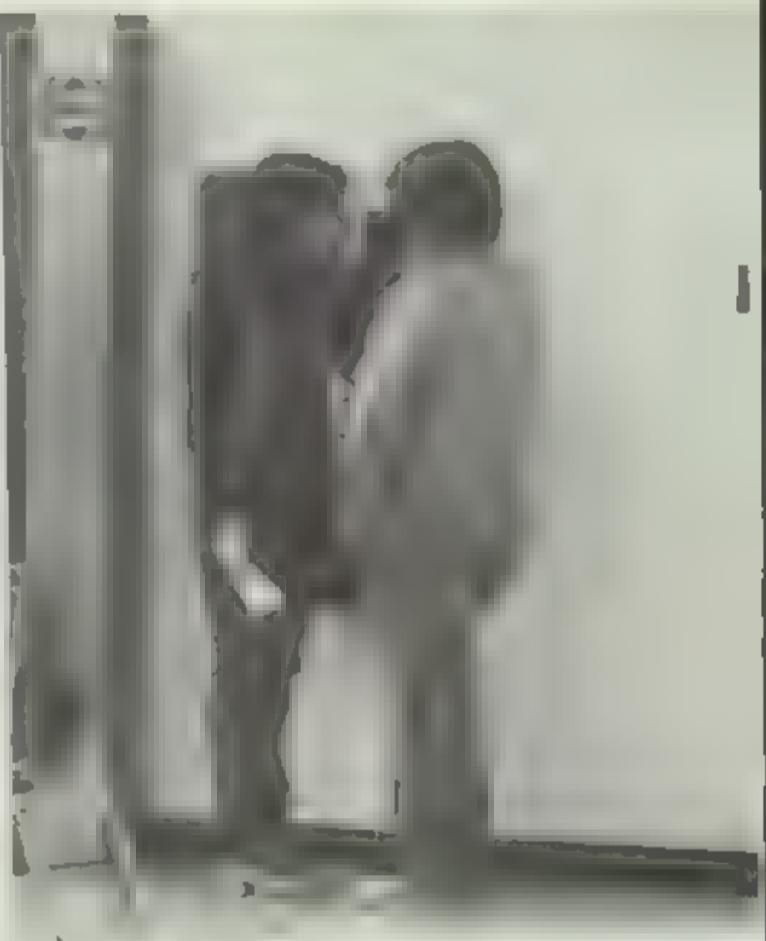

Activities before school at Lincoln consist mostly of conversation. When they get off the bus, they usually find their familiar seats in the commons area. There the students finish their homework or just talk. As the bell rings, the students take off for a busy day

Noon

As you look around at noon, you see people rushing to get their lunch down so they won't be late for class. The ones that skip can be seen on a telephone or at the smoking area. There

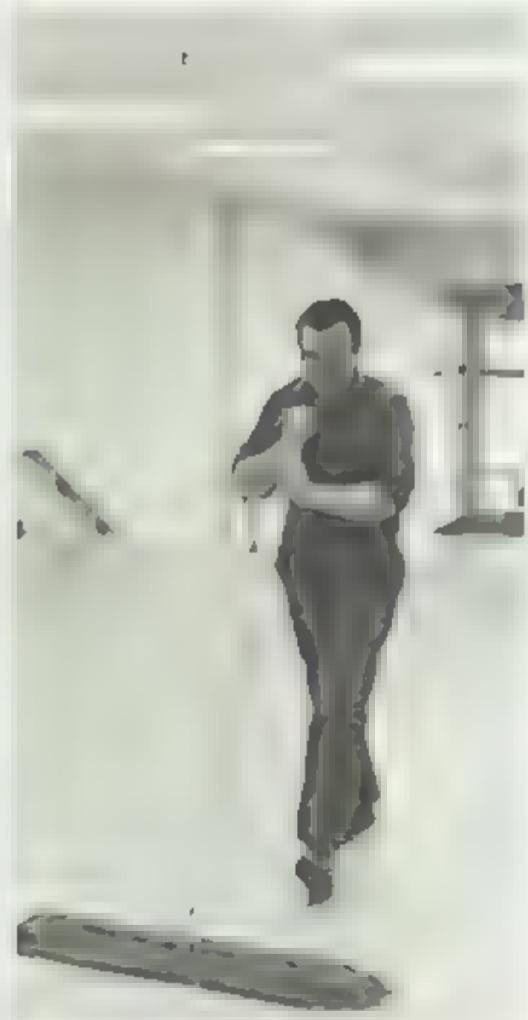

are a few that study, sit around and talk, or try to make the most of what little time they do have

After School

When the bell rings and school is over for the day, you can see students rushing through the halls to their lockers and waiting for their buses. Those who drive go to their cars and leave. The students who participate in sports rush to the locker rooms to get dressed for their practices.

Students Enjoy Class Tournaments

ILULN

ILCOLN

Lincoln

COLN

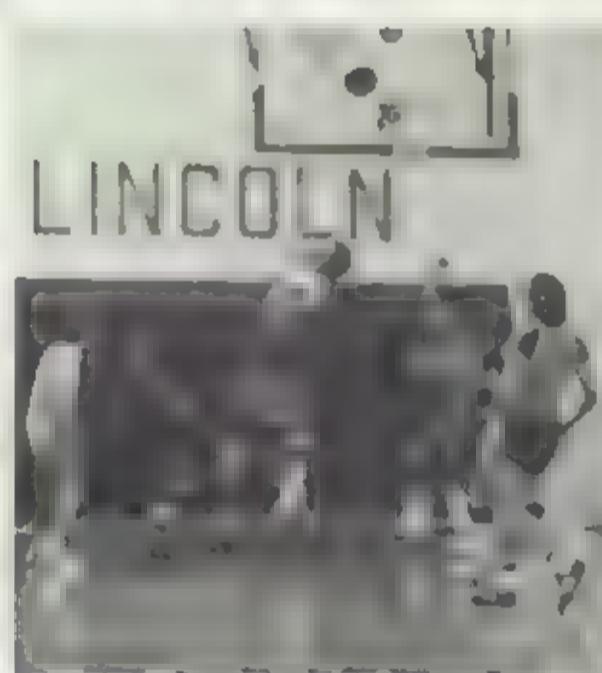

LTTCO

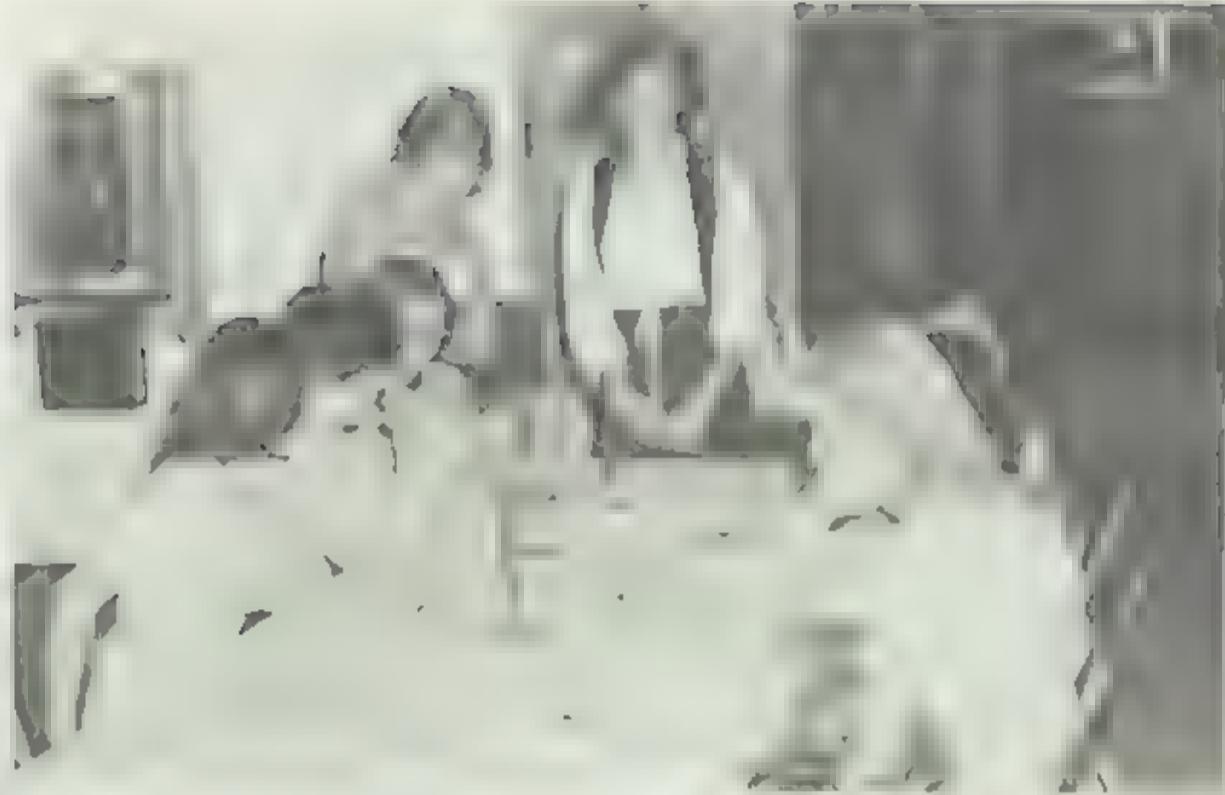

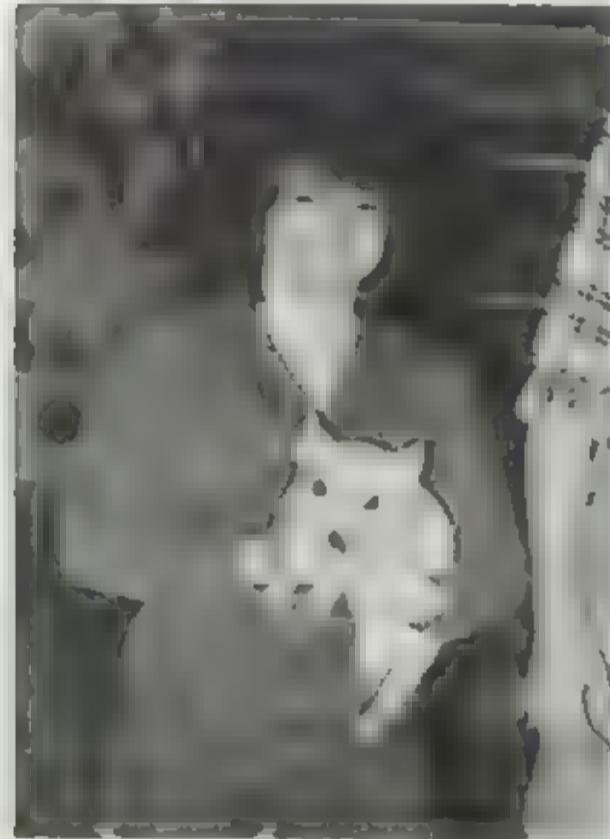

This year was the first year of class tournaments at L.H.S. They were held in late March. The championship games were won by the 12A senior boys and the 10A sophomore girls. The most foul shots were made by Derek Lanham and Gwen

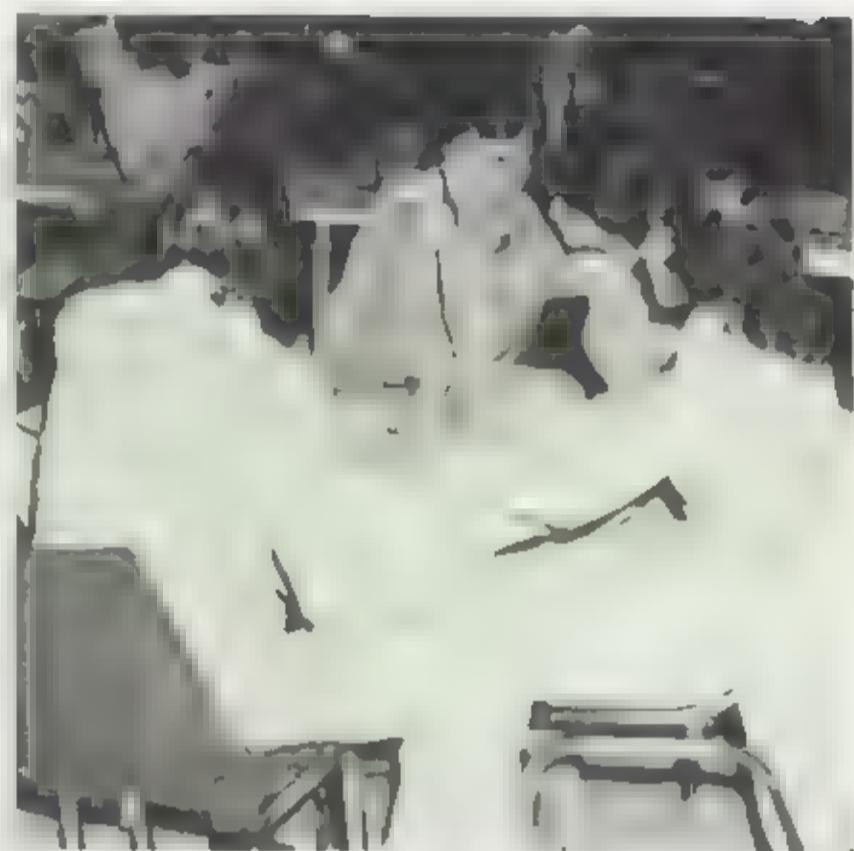

Harmer. The best coaches were Chuck Skinner and Jimmy DeBlossio for the boys' champs and John Harbert and John DeMarco for the girls' champs. The most valuable players were John Thompson and Cathy Reed

Lincoln High Dances

Lincoln High School had many dances this year. They include: The Valentine's dance, Sadie Hawkins dance, St. Patrick's Day dance, the April Fool's dance and others. All of the above dances had disc-jockeys but one. We had one band that played — "Wizard."

Assemblies Entertain Students

The assemblies held this year included College Day which was held on Oct. 19, for the Juniors and Seniors. The students chose three schools to focus on and talked to their representatives.

On Jan. 21, the West Virginians from Alderson-Broaddus College presented a concert for students. They presented modern as well as 20's tunes.

The talent show held on March 2, was sponsored by the choir. Winning first place was Merritt Rice, second place was Twila Baker, and Louise Van Gilder received third place.

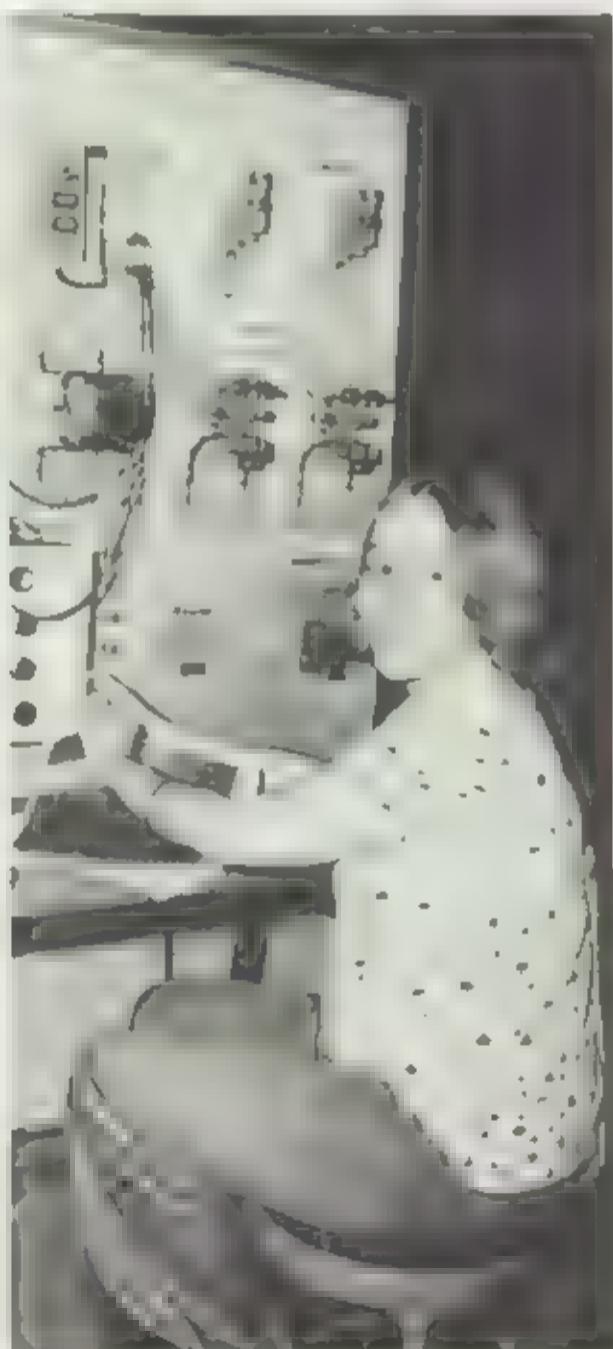

The play, "The Importance of Being Earnest," was presented by Theater West Virginia.

United Career Center Days of 1978-79

The United Career Center offers an opportunity for students to train into many different skills. It too allows students to learn and participate into different skills while taking the course. Many of the different classes offered were Masonry, Auto Mechanics I & II, Medical Assisting, Drafting, Printing, and many more. Two new classes will be added to the list provided state approval. They will be Commercial Art and Small Engine Repair.

Cougar Grapplers Claw Through First Season

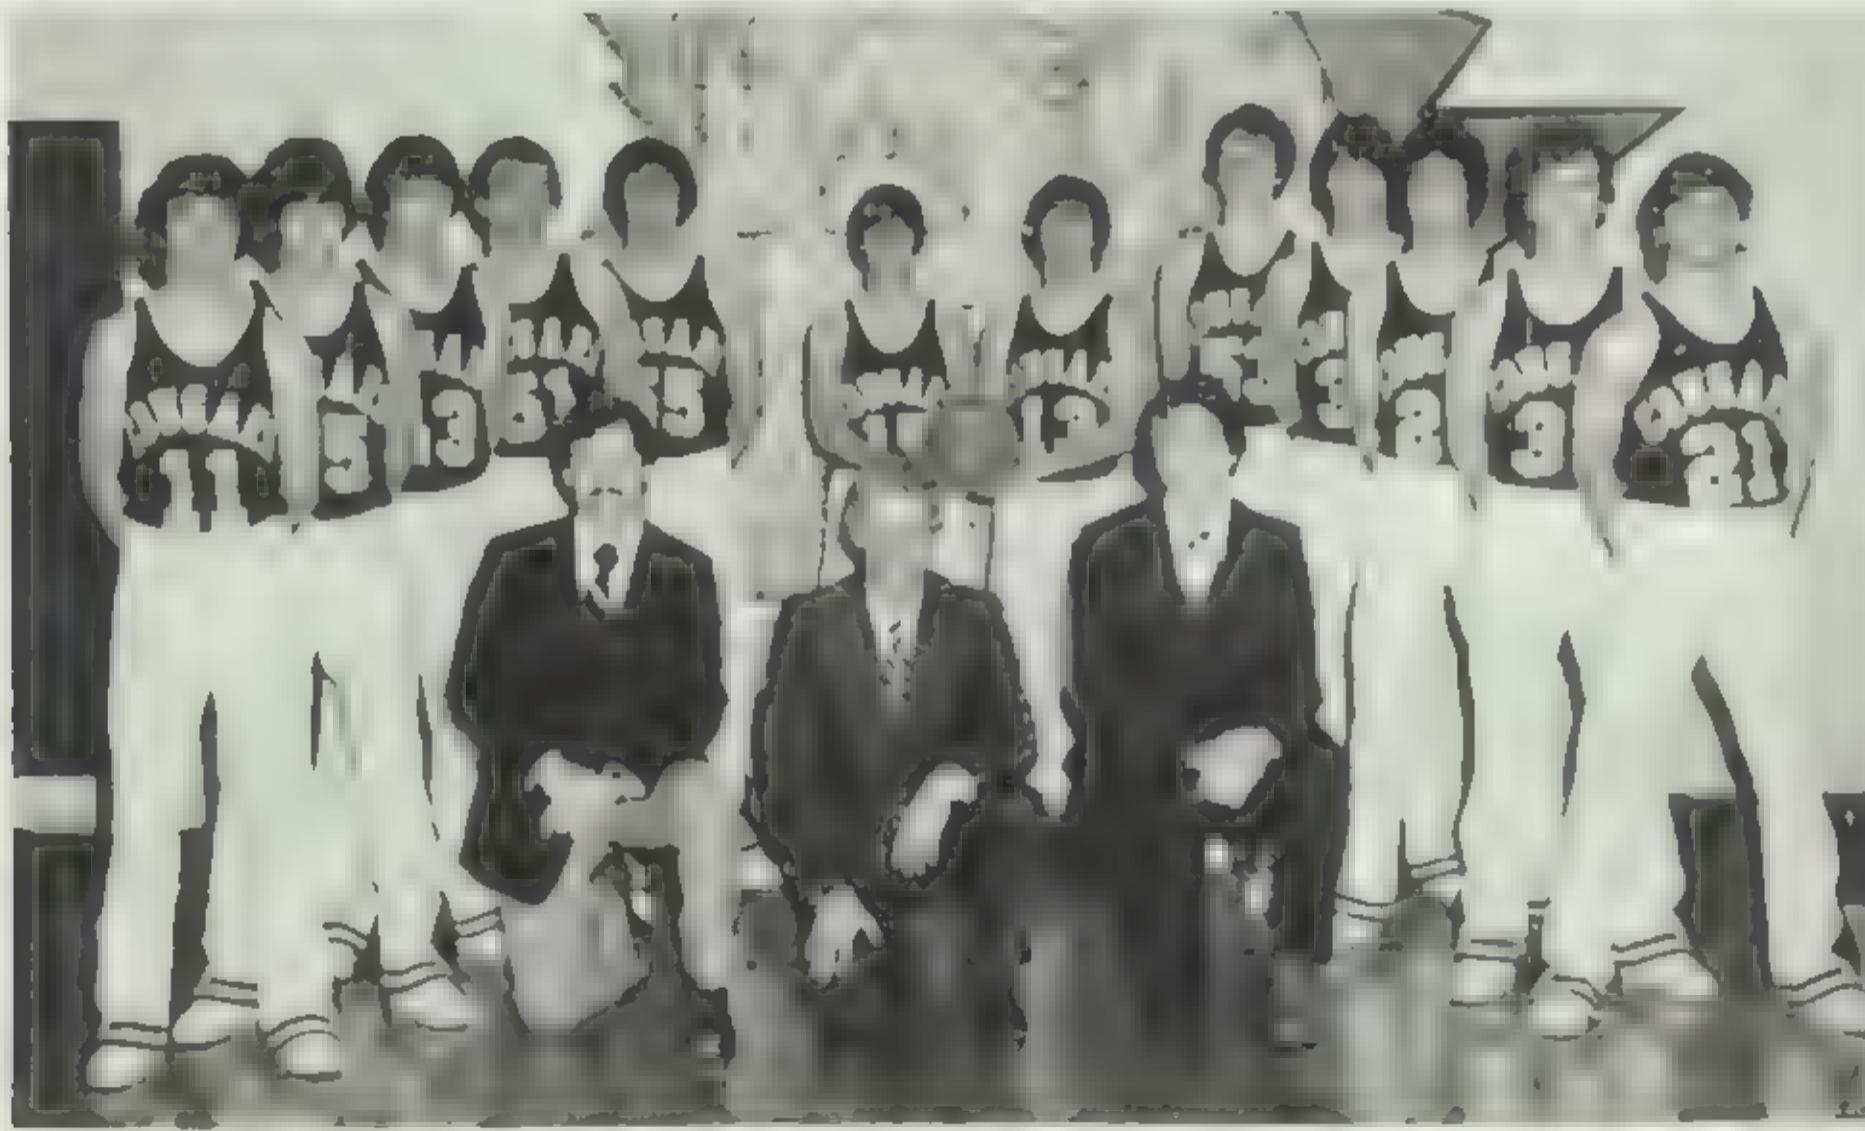

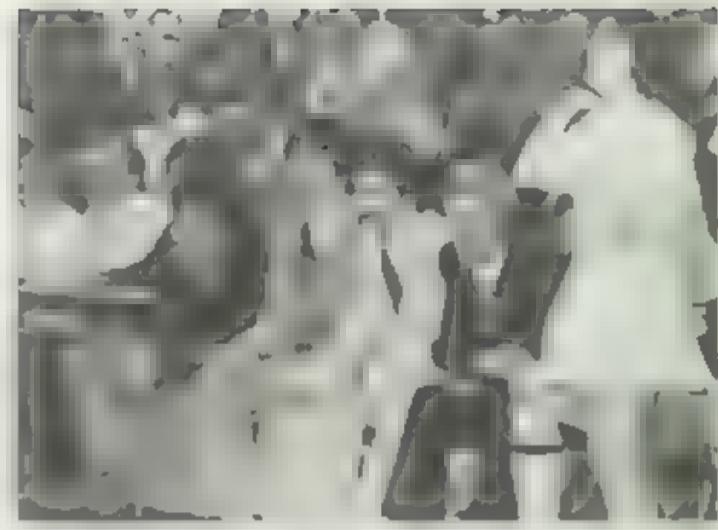

Coach Pursley stated, "Starting a wrestling program was a tremendous decision for the Lincoln High School Athletic program. It gives a student with lesser abilities a chance to participate in a sport for four years. Wrestling can be a good conditioning sport for other sports. It is growing real fast in the area and will soon be considered a major sport. This has been the most enjoyable experience for me as a coach, and I'm proud of all of my wrestlers."

Lincoln Track Teams Leap Through a Fantastic Season.

This year's sports enthusiasm was boosted through an exciting season of track, which proved to be a dominant interest over other spring activities. The freshmen track team, coached by Mr. Edwards, did very well for their first year. The team remained tough in all events throughout the season. The highlight of the season came with their first place victory over W.L. in the Harrison County Championship meet.

The varsity boys track team, coached by Mr. Burner, put a lot of effort into having a successful and spirited year in track. They proudly claim their seasonal record of placing second in three meets.

The freshmen girls team had an equally successful year under the coaching of Miss Southern. They placed first in one meet, second in three, and third in one to make a fantastic seasonal record. The team also finished second in the county meet.

The varsity girls track did exceptionally well in a few events. Miss Lawson, the coach, claims the team has the potential of doing real well next year.

The L.H.S. Tennis Team

For the first time, students in the Lumberport and Shinnston area had the opportunity to participate as a team in tennis. For most of the players it was their first experience of competition in tennis. Coach Knard and players are looking forward to a successful next year as they will have one year of experience under their belts.

Closing

And on the seventh day they said Let there be peace and unity between the consolidated schools once known as Lumberport and Shinnston but now have become one, and there was peace and unity

And such was the seventh day

The real story

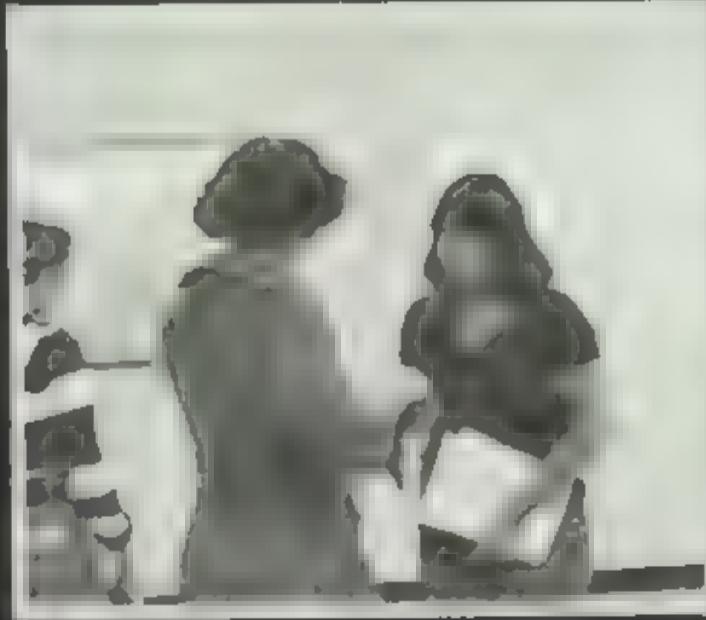

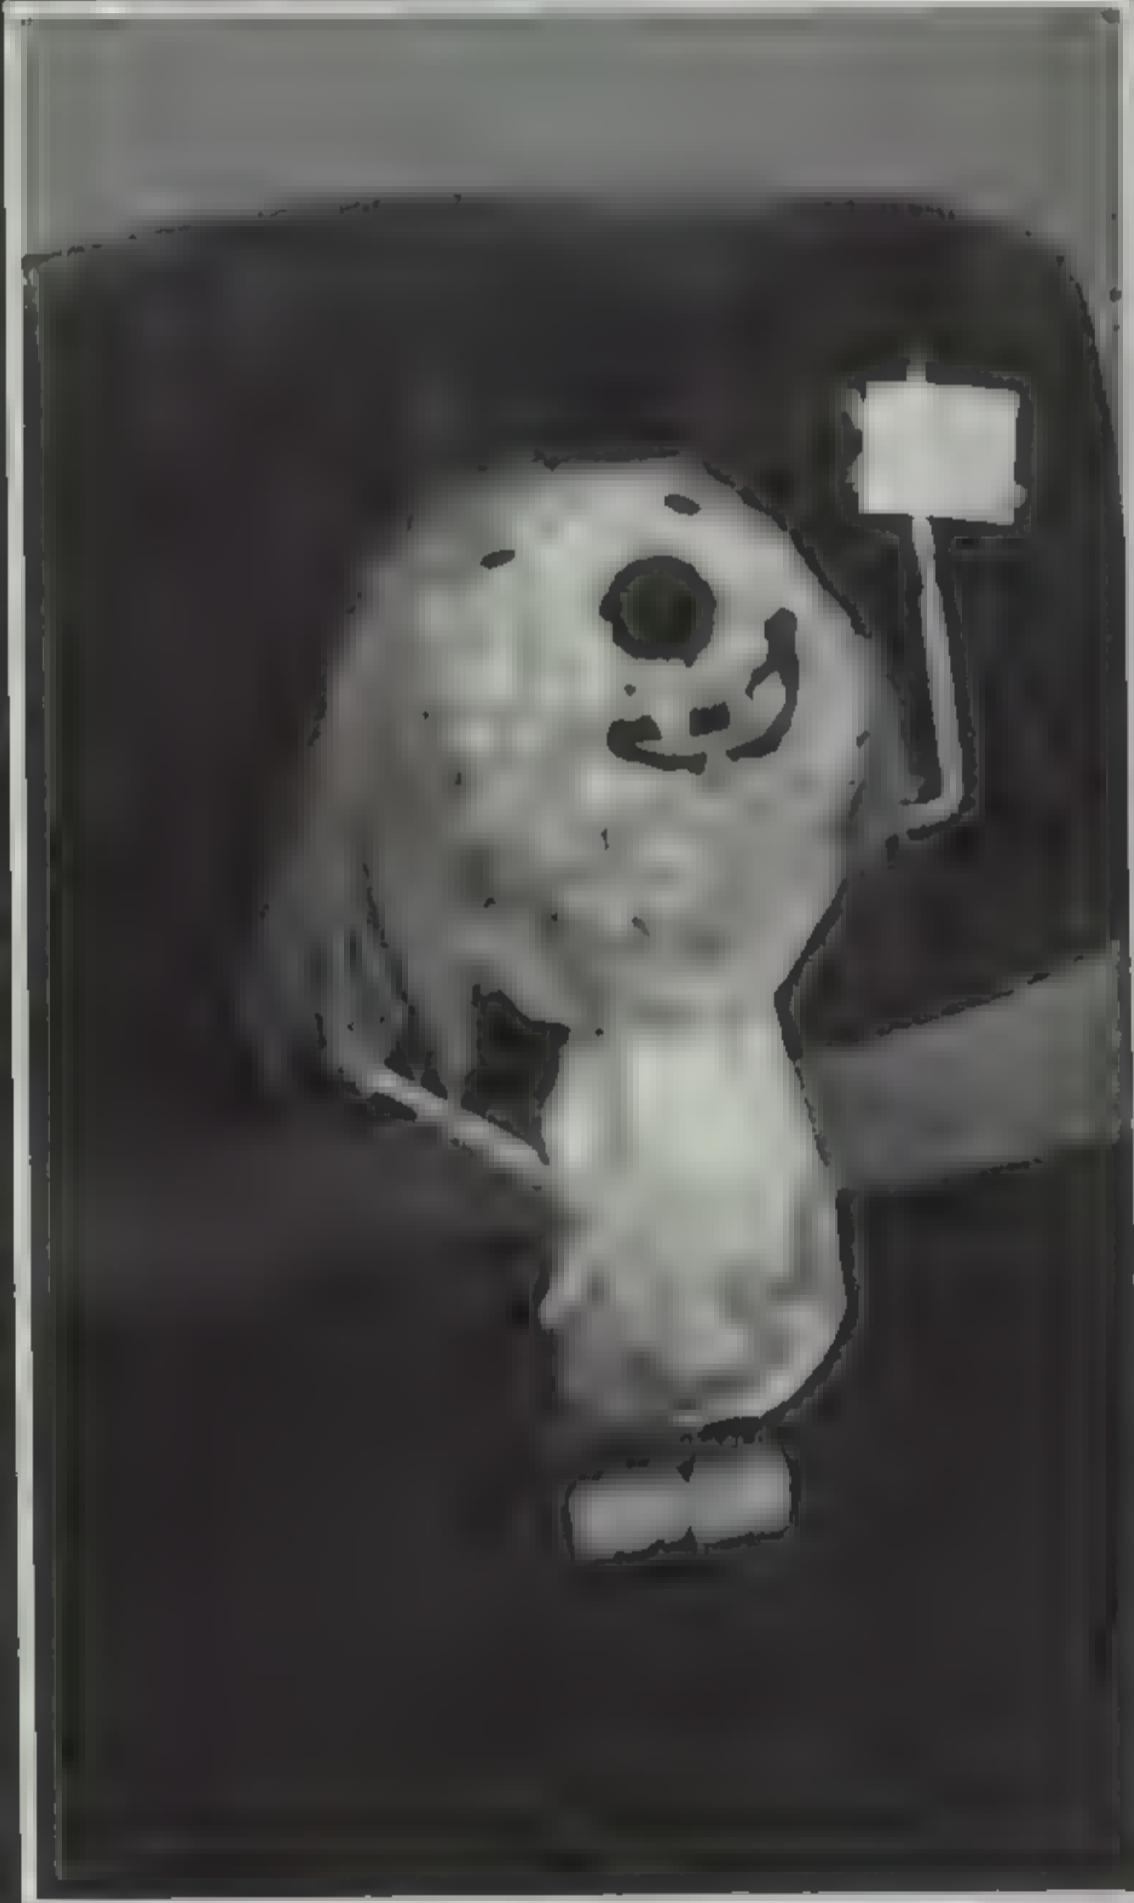

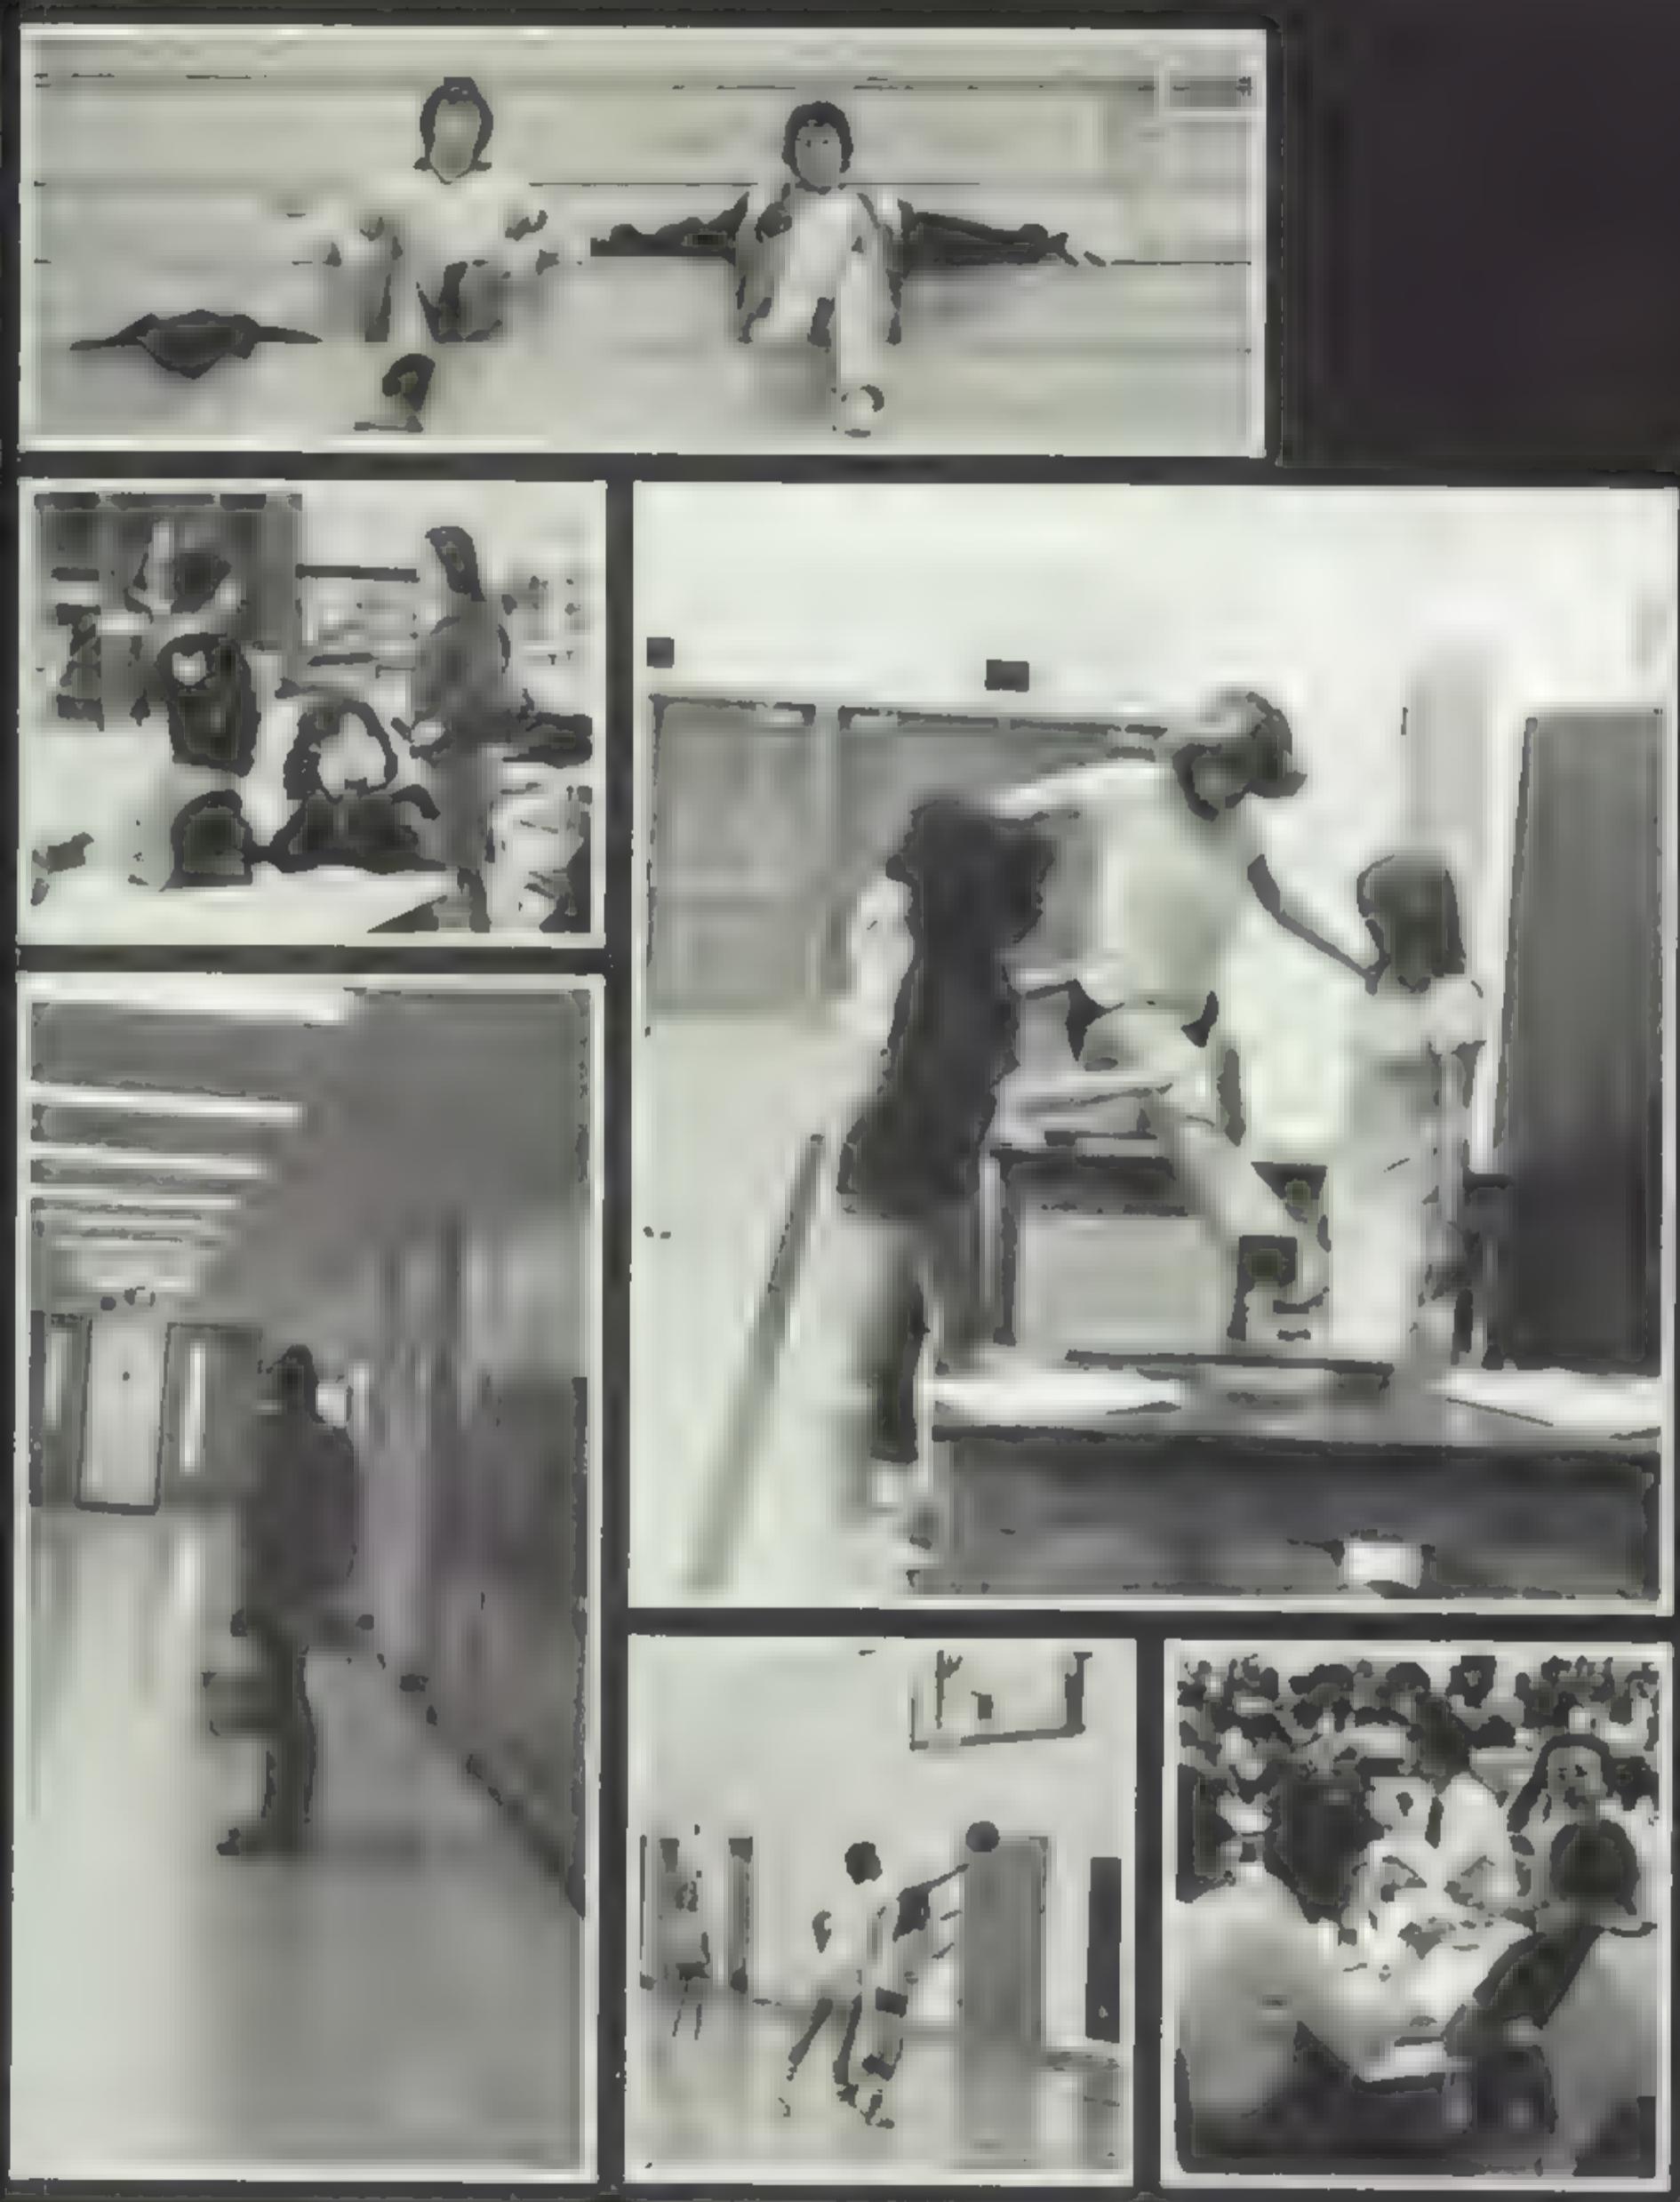

"We've Only Just Begun!"

*This year
Age Old and S.H.S. and I.H.S.
Were united.*

*Together we work, together we play;
We work for tomorrow, forget yesterday.
Our strength is doubled
Our potential is strong.
Two as one.*

We've Only Just Begun!

... and We Shall Rest.

Although at the end of the school year, the rooms, halls and lockers become empty, there remain ghosts of times past with fond memories of the good old days. The hard work of creating Lincoln High School has come to a rest.
